Business Networking Group

Grow your business with us!

People do business with people.
And all the more so among those
they have come to know and trust.

BNG was formed in 1992 to provide
members not simply with business
referrals, but with an atmosphere of
friendship and professional support.

We meet for breakfast and
networking the second and fourth
Fridays of each month from 7:30 to
8:30 am.

We invite you to stop by, visit us at
bngonline.org, or call any member
listed within to find out how BNG
can help you grow your business.

Sincerely,
Bill Wysow
